Terms and Conditions of Retail Pricelist dated 1st March 2017:

- All Siemens / Signia hearing instruments carry **2 years warranty** as per warranty terms and conditions.
- Custom Product prices include Shelling & Customization Charges. RIC price includes HP receiver Customization Charges.
- Switchless Telecoil (**Autophone**) / Telecoil is available as a chargeable option on all ITE / ITC custom instruments. (except Nitro custom instruments with 71 dB Gain) . TwinPhone feature available in ITE / ITC Insio px wireless custom instruments.
- Cellion RIC (7px, 5px) is using a Lithium-ion cell with inductive charging. The inductive Charger will be provided free with the Cellion RIC device.
- Pure RIC (7px, 5px, 3px, 3bx), Motion SX BTE (7px, 5px, 3px, 3bx) and Motion PX BTE (3bx) models are rechargeable. The eCharger+ rechargeable cell is an optional accessory that can be procured separately for use with these models.
- The **miniTek** Wireless Enhancement System is an optional accessory compatible with "**e2e wireless 2.0**" hearing instruments (Pure, Motion, Nitro, Insio) and will have to be procured separately. Orion SP & RIC Orion does not support the miniTek wireless enhancement system.
- The **easyTek** (remote control + audio streamer) is an optional accessory compatible with "**e2e wireless 3.0**" (Pure, Motion, Insio) and Orion 2 hearing instruments and will have to be procured separately. For certain models, the easyTek is provided FREE alongwith the instruments. easyTek does not include Bluetooth Transmitter and the same will have to be procured separately.
- miniPocket** remote control is an optional accessory compatible with touchControl supported instruments (Sirion 2 onwards).
- The **easyPocket** remote control is an optional accessory compatible with "**e2e wireless 3.0**" (Pure, Motion, Insio) and "**e2e wireless 2.0**" (Pure, Motion, Insio, Nitro) & Orion 2 / Orion hearing instruments. For certain models, the easyPocket remote control is provided FREE alongwith the hearing instrument. (See table below)
- The Pricelist and Product specifications are subject to change without prior notice.
- Government Levies and Taxes will be charged extra on the accessory prices as applicable.
- All RIC / BTE instruments will be supplied in standard Beige colour. Specific colour housing options for RIC / BTE models are subject to a delivery lead time of 3 weeks.
- IIC (Invisible in Canal) custom model (IIC Insio 7px / 5px / 3px / 3bx, IIC Orion 2 / Sirion 2 / Intuis 2) is a non-wireless product.
- Carefree Package applicable for all 7px products.** Carefree Package includes 2 years extended warranty (Total 4 years warranty) and Free supply of batteries for 4 years usage. For Cellion 7px, only the 2 years extended warranty will be applicable (No free batteries supply).
- International warranty for Premium Models will be available only in select countries subject to the discretion of the local company.
- Hearing Aid is a medical device. It is meant to be prescribed and fitted by a Hearing Care Professional. It is not meant for Internet sales. Warranty is not applicable if purchased online.
